Word from Theresa

Thank you to volunteers John Scharer and CJ Assent who are leading our 2018 Annual Campaign. As you know, each day the Y supports kids, adults, seniors and families with programs that protect, teach,

[New Check In Procedure for Spectators](#)

We welcome parents, grandparents & others as spectators to youth program. Please [click here](#) to read our new procedure for guests who visit the Y as spectators for a youth program, who are not also members, to check in to the facility.

connect, heal, nourish and encourage. Everything we do empowers communities and the "us" who live in them to thrive. Our Annual Campaign provides much of the funds needed to ensure everyone has opportunities at the Y regardless of ability to pay full fees. The Annual Campaign supports children who attend Y Preschool, adults who have survived cancer through LIVESTRONG at the YMCA, youth who attend Summer Day Camp, families who just need a little support, and so much more.

A few weeks ago, I helped a woman living in a campground without running water. She stopped in the Y seeking a place not just to exercise, but for somewhere other than her trailer to spend time. When she learned that she could afford a membership, because of an income-based reduction in membership fees, she was overwhelmed with gratitude. The community that is the Y, you - our donors, volunteers, members and staff - make this possible. Our Annual Campaign makes this possible.

John and CJ, along with other campaign section leaders Karen Ream and Rob Howard, are currently asking caring individuals to volunteer on the campaign. Volunteers tell the Y story to friends, neighbors, Y members and coworkers and ask them to join others in a charitable contribution to the Y's work in strengthening our community. Each volunteer usually speaks with six to ten people. Prior to beginning their story telling, volunteers receive training and all the resources they need to be successful. Thank you to John, CJ, Karen and Rob for your work at this stage of our Annual Campaign. Thank you to all of you who will say yes and help ensure the Y is available to everyone of the "us" who live in Marion County.
