SWIM, SPORTS AND PLAY

YMCA PRESCHOOL

The Y has a licensed preschool education program that will help your child prepare for kindergarten, gain social skills, be active and of course have fun. We still have opening for Jan.-May, 2018

One-Time Registration Fee: \$20
(per child, per school year)

Register at the Y Service Center for the 2018 by simply paying this registration fee. Preschool tuition is paid monthly and you may wait until the end of August to begin paying these monthly fees. Monthly fees are adjusted for months with holidays as needed. Fees may be paid through an automatic bank draft or are due prior to the start of each month.

Y Preschool consists of two age-based classrooms. Classroom size is limited for both preschools, so we encourage parents to register early.

As with all Y programs, financial assistance for preschool fees is available for families who demonstrate financial need. The application process is simple and quick. You can download an application from the Y's website at www.marionymca.org or obtain one from the Y service center.

A second child in the same household participating in either Explore & Play or Kaleidoscope Kids will receive a 20% discount off of the regular fee.

EXPLORE & PLAY—(Ages 2 1/2 through 3) Form New Friendships

Tuesday & Thursday 9:30-11:30 AM
Per Month Fee: Members \$47
Program Participants \$75
One Time Registration Fee: \$20

This is a great first time preschool experience for young children. Caring teachers will help all children develop social skills, form friendships and begin to learn the basics needed for a strong education. There is an emphasis on large motor development and physical activity. Children must either be potty trained or a parent / guardian must remain in the building and accessible throughout the class time.

KALEIDOSCOPE KIDS (Ages 4 & 5)

Learn, Play, Grow

Monday, Wednesday, & Friday 8:30 - 11:30AM
Per Month Fee: Members \$75
Program Participants \$125
One Time Registration Fee: \$20

This class will focus on helping older preschoolers prepare for kindergarten. Experienced teachers will help children gain important pre-math and pre-reading skills, expand their social skills and friendships, as well as engage in physical activity that is important both for muscle and brain development.

PRESCHOOL SWIM LESSONS
