

Communication & Weather Policy

September 2012

Communication between coach/parents/athletes is important. We will communicate information to you through the website and through e-mail. You can expect information pertaining to the following subjects to be received in the following manner.

Website:

- Practice schedule
- Meets schedule
- Volunteer registration
- Meet registration deadlines & reminders
- Meet results
- Meet entries
- Athlete performance charts

E-Mail:

- Practice schedule
- Meet schedule
- Volunteer registration reminders
- Meet registration deadlines & reminders
- Upcoming events

Weather Related Communication:

- In the event of weather related occurrences, please visit the swim teams website under the important information section for updates. This section will be updated no later than 1 hour before practice begins with weather related decisions.
- We will try to make decisions in advance, but remember that weather can be unpredictable. Even though a decision was made in advance, that decision may need to change based on weather conditions.
- Please use your own good judgment on whether your family can attend practice safely.

Snow Policy:

The following is the Marion Family YMCA's policies and procedures for snow emergencies to provide consistent and fair closing practices.

1. If a **Level 1 Snow Emergency** is indicated on mariononline or WMRN's website, the Marion Family YMCA will remain operational. No closings or delays will be initiated.
2. If a **Level 2 Snow Emergency** is indicated on mariononline or WMRN's website, all classes and activities (including Child Watch) will be cancelled starting 45 minutes later.
3. If a **Level 3 Snow Emergency** is indicated on mariononline or WMRN's website, the Marion Family YMCA will close the facility in 30 minutes.
