

**Marion Family YMCA
Refund of Membership Dues**

July 2009

The following is the Marion Family YMCA's policies on refunding Membership Dues.

If we discover that we failed to stop an automatic membership draft and we have documentation that the member canceled his / her membership, we will give a full refund of all dues paid after what should have been the final draft date.

If a member requests a refund for membership dues stating that he / she canceled his / her membership in the past, but we have no documentation of this and the member has no documentation (must be copy of our cancellation form) then we will refund the lesser of one half of the amount of dues in question or 3 months worth of dues.
