SWIM, SPORTS AND PLAY

BUILDING STRONG SWIMMERS AND CONFIDENT KIDS

At the Y, we believe that swimming is a life skill. Because of our reach and long history with aquatic programs, the Y is in a unique position to help bridge the gap in the delivery of swim lessons and water safety education in the United States.

The Y has a long tradition of providing effective, high-quality swim lesson programs that teach people to have fun and be safe around water.

The swim lessons curriculum allows for both standardization and flexibility. Each child will participate in a skill testing and parent orientation to determine the class to sign up for.
