DTXD#REVWDFOH#FRXUVH# **Encouraging Adventure**

Designed for older children, pre-teens & teens, the obstacle course provides additional pool adventure for those who have mastered basic swimming skills.

Open Sunday October 5-December 8
3:00 - 5:00PM

All users must be Deep End approved by demonstrating ability to swim a length of the pool & tread water.

Lifeguards will provide deep end testing at designated times during Obstacle hours and throughout the week during Open Swims.

See other side for the complete list of rules.

Aqua Obstacle Course Rules

Use at Your Own Risk

The Obstacle Course is designed to provide additional adventure to those who have mastered basic swimming skills. It is an advanced piece of equipment that ends in the deep end of the pool and therefore requires swimming skills to use.

- For each user's safety, must pass Deep End Swim Test to be on obstacle course
- Children 8 and under must have an adult supervisor on the pool deck or in the water
- Obey Lifeguard instructions at all times!
- If the Lifeguard blows their whistle, stop and listen to their instructions
- Only move in the appropriate direction while on the obstacle course
- Once you fall off, swim to the side and exit pool
- DO NOT swim under the inflatable
- DO NOT jump from the top of the Slide or Slope into the water
- ONLY slide when the landing area is free of people
- DO NOT hang on the safety lines that anchor the inflatable to the side of the pool
- Max Capacity: 6
- Max Weight Load: 330 pounds
- Uneven load distribution of persons or items can cause the inflatable to capsize and must be avoided
