

**Marion Family YMCA**  
**Shower Information for Members**  
**Effective July 22, 2020**

We're happy to offer showers for our members. In an effort to do our best in keeping members and staff healthy and to meet the Responsible Restart Ohio requirements, the following procedures will be in place for showers.

1. Showers will be open Monday through Friday 5:00 am – 2:00 pm.
2. The communal showers in the Male Locker Rooms will be turned into individual showers. This gives 4 shower stalls in each of the Male Locker Rooms.
3. Members may use a shower that is labeled as OPEN. Showers labeled as CLOSED are not available.
4. After showering, members must turn their shower's sign to CLOSED. This indicates that the shower was used and needs to be sanitized.
5. YMCA staff will sanitize the locker rooms and showers approximately every 2 hours as part of our regular cleaning schedule. All showers not in use during each cleaning time will be cleaned and the sign returned to OPEN.
6. During most two-hour cleaning periods, the locker room being cleaned will be closed. We may also clean while members are using the locker room, but we try to avoid this. Members should be prepared to use an alternative locker room if the locker room of your preference is being cleaned.
