

LET'S STAY HEALTHY TOGETHER

June 18, 2020

Dear Y Member,

Each day we're reopen, we continue to be thrilled to see so many people back and enjoying the Y. As our new protocols go well, we're able to move quickly to add more services & in some cases remove the barrier of a reservation. Here are changes that will start Monday, June 22:

Change to Facility Hours starting June 22:

Thanks to our highly efficient staff members, we're able to shorten our mid-afternoon time that we're closed for cleaning. Starting June 22, we'll be closed from 2:15 - 3:30 pm. We will be closed this entire time and won't be letting people back in early. Please don't arrive before 3:30 pm.

- Monday through Friday 5:00 am – 2:15 pm and 3:30 – 8:00 pm
- Saturday 8:00 am – 5:00 pm

Changes to Open Gym and Pickleball starting June 22:

Starting Monday, June 22, no reservations will be necessary for Open Gym or Pickleball. You will still need to bring in your own basketball or pickleball equipment and no pick-up basketball games are allowed. [Click here](#) to view the new gym schedule.

Reservations Required for Pools and Group Exercise

This week we opened our Lap Pool and Small Pool. It has been great to see so many of our water members back at the Y. A reminder that pool use is by reservation only. You can click on [this link](#) to reserve your spot. Or, you can call the Y at 740-725-9622 and our Member Service Representative can make a reservation for you. If you walk in and there is an immediate spot open, we'll make that reservation for you as a walk-in and you'll be able to use the pool.

If you aren't a water person, don't forget we have our in-person group exercise classes by reservation or you can join our virtual classes on-line. Click on [this link](#) to make reservations or to join the private group on Facebook click on [this link](#). Like the pools, if you walk-in for a group exercise class without a reservation, please check at the Service Center to see if there is an available spot. If there is, we will reserve you as a walk-in for that open spot.

Reservations are open one week in advance. For example, if you take a schedule a lap pool time and want to swim the next week at the same time, you may register for next week immediately after this week's time ends.

What is continuing: Here are a few reminders of what is continuing under our new protocols and policies...

- We encourage everyone to wear a mask when entering the building. If you choose

- not to wear one while exercising, that's a good time to remove it.
- We're continuing to ask all members to perform self-screening before entering the building. You can [read the screening requirements here](#).
 - Members are asked to remain 6 feet from others unless you are spotting someone. Thank you for your cooperation.
 - Please remember to scan out when you leave the building. We have a scanner just prior to the Wellness Center exit and another scanner in the lobby.
 - After using equipment for your workout, please spray the provided towel with cleaner & then wipe the equipment. This is better for the equipment & better for sanitizing than spraying the equipment & wiping off the sanitizer.
 - Locker rooms are open for use as restrooms & to change clothes. No use of lockers & no showers.
 - We've removed the adult & youth designation of the locker rooms for the summer. People of all ages may use either locker room.
 - We are disinfecting locker rooms every 2 hours. While we are disinfecting, the locker room will be closed. If the door is locked or sign posted that it's closed; members will need to use the other locker room.
 - We have a deck shower on the 8 Lane Pool deck for swimmers to rinse off before & after swimming.
 - We have a new member waiver for all adult members to sign. You can sign it electronically before your first visit to the Y. [Link to YMCA Electronic Signature Page](#)

It is also great to see our Summer Day Camp start this week where it is the Best Summer Only. A big thank you to Marion City Schools and the Marion Community Foundation for their partnership on this year's Summer Day Camp.

Thank you for being a member of the Y! I hope you are healthy and well and that we see you soon.
