School-Age ChildCare

MARION FAMILY YMCA

2021-2022 Handbook

Location:

Marion Family YMCA

645 Barks Road East, Marion, OH 43302 E

nbrown@marionfamilyymca.org or cguyton@marionfamilyymca.com

P 740 725 9622 F 740 389 1287 www.marionymca.org

Program Philosophy

The Y is, and always will be, dedicated to building health, confidence, connectedness, and security in children, adults, families, and communities. Every day our impact is felt when an individual makes a healthy choice, when a mentor inspires a child, and when a community comes together for a common good.

The YMCA School-Age Child Care (SACC) program exists to meet the need of families to have a safe and consistent environment for their children before and after school. The program is designed to complement, not imitate, school and home. It serves as an important component in the continuum of services provided for school-age children.

Through the SACC program, the YMCA seeks to help children:

- Grow personally,
- Clarify personal values,
- Get along with others,
- Appreciate diversity,
- Become better leaders,
- Develop specific skills, and
- HAVE FUN!

The SACC program is child-centered and designed to promote self-esteem and meet the individual developmental needs of children. The YMCA program:

- Offers children a base of warmth, security, and continuity provided by caring, qualified staff;
- Fosters initiative, independence, cooperation, and self-control;
- Has flexible schedules that allow for choices during play, social experiences, and school work;
- Permits freedom within set limits;
- Respects cultural diversity; and
- Build strong character through programs centered around our core values of Caring, Honesty, Respect, and Responsibility.

The needs of families will be met through a program that:

- Offers quality, safe, affordable child care services;
- Is sensitive to the needs of children and families;
- Encourages communication among children, school representatives, families, and YMCA staff; and
- Assists families with building strong character values in their children.

The needs of the communities will be met by a program that:

- Provides quality child care services,
- Reflects current values and concern,
- Utilizes existing educational and recreational resources, and
- Builds strong character values in children.

The Marion Family YMCA's mission is to put Christian principles into practice through programs that build a healthy spirit, mind, and body for all. Our cause is to strengthen the community.

Days Open & Closed

The Marion Family YMCA SACC program is a school-year-based program operating from August 16 through May 25. We follow Marion City Schools and Pleasant Local Schools calendars for all closures.

Days Closed:

- Labor Day
- Thanksgiving & Black Friday
- Christmas Eve & Christmas Day
- New Year's Eve & New Year's Day
- Memorial Day

Hours of Operation:

- Before school care is from 6:30 am to approximately 8:30 am or when the bus arrives for pick up.
- After school care is from approximately 3:30 pm or when the bus arrives for drop off to 6:00 pm.
- The program operates Monday through Friday.

Program Schedule

Our staff-to-child ratio is 1:18 school-age children and our maximum group size is 36.

Sample Daily Schedule for Before School SACC

6:30 – 7:15 am Free Time Centers

7:15 – 7:45 am Physical Activity

7:45 – 8:00 am Clean Up

8:00 -> bus arrivals: Free Time

Sample Daily Schedule for After School SACC

Bus arrivals -> 4:15 pm Free Time Centers / Snack

4:15 – 5:00 pm Physical Activity

5:00 – 5:20 pm Reading Time

5:20 – 5:40 pm Small Group Activity

5:40 – 6:00 pm Large Group Activity

Medication, Modified Diet, & Food Supplements

The Marion Family YMCA's priority is the safety of children. Under the current licensing rules mandated by the State of Ohio, any non-compliance involving medication, the administration of medication, and the necessary forms required for administering medication, is a serious rule violation. Therefore, giving children medication that is not necessary during SACC hours puts the YMCA at greater risk of non-compliance.

The YMCA will only administer prescription medication that is required specifically during the hours a child is present in SACC as prescribed by the child's doctor. We will administer medications to a child only after the family completes a "Request for Administration of Medication" form. All proper sections must be completed and the medication must be handed to the Y SACC staff member. Medications will be stored in a designated area inaccessible to children. Medications may NOT be stored in a child's book bag or other items in their possession.

Prescription medications must be in their original container and administered following the instructions on the label. If a medication is prescribed to be given once or twice a day, please give the medication to the child before and/or after program hours. Unless necessary and prescribed by the child's doctor, we will not be administering it at the YMCA.

Over-the-counter medication **will not be** administered in the program without a physician's orders. This includes topical creams, lotions, and lip balm. If a physician deems it necessary for a child to be given over-the-counter-medication during our program hours the medication must be in its original container, must not be expired, and must be administered following label instructions. If families request any different dosages or uses, a physician must provide written instruction on the "Request for Administration of Medication" form.

If a child requires a food supplement or a modified diet, written information from the child's physician regarding this must be provided. Please speak with a Program Administrator for more details regarding this policy.

Snacks

An afternoon snack will be served when the after-school participants arrived from the bus.

Snack will include the following: 1 serving each from 2 of the 4 basic food groups

- Milk (fluid cow's milk) and dairy
- Meat or meat alternative
- Fruits and/or vegetables
- Bread and grains

Outdoor Play

Outdoor play will occur if weather conditions are suitable. Outside play will not occur if:

- The weather is greater than 85 degrees Fahrenheit, or less than 30 degrees Fahrenheit.
- The wind speed is higher than 30 mph.
- If there is any lightning, rain, or ice.

Please send the child in acceptable footwear and clothing for outdoor play.

Family Involvement

- Families, as well as program staff members, should discuss any complaints or suggestions about the SACC program or program staff members with a Program Administrator. If families or staff feel their concerns have not been addressed by a Program Administrator, the family or staff member may discuss their concern with the YMCA Executive Director. The Executive Director may be reached at 740-725-9622.
- Family participation opportunities may include family events, volunteering in the program, YMCA committees, the YMCA's Annual Campaign, and donations.
- The YMCA staff are available to discuss a child's progress or needs. However, due to staff responsibilities and schedules families are asked to make appointments with staff when it's necessary to engage in any lengthy conversations.
- Families will have the opportunity to give input and evaluate the program at least annually.

Admission, Fees, Payments & Refunds

A child is considered to be enrolled in the SACC program only after the registration fee has been received and all of the required paperwork is received. This includes basic enrollment and health information. Any change to the enrollment and health information must be communicated to a Program Administrator immediately so current information is always on file. This is for the safety of the child. The tax identification number for the Y is 31-4380058.

Forms Required for Admission:

- Child Enrollment & Health Information
- Child Care General Enrollment Form
- Child Care Waiver and Permission Form
- Pick-up Authorization List
- Routine Field Trip Permission Form

Please note, *we do not accept children in our programming who are not up-to-date with their immunizations.*

Custody Agreements:

If there are custody agreements involving the child, the program must be provided with court papers indicating those with and without permission to pick up the child. The program may not deny a biological or custodial parent access to the child without proper documentation.

Payments:

School-Age Child Care (SACC) is billed weekly and payments are due each Friday for the following week of care. Advance payments may be made for future weeks of care. We prefer families to set up automatic payments through our system with a debit card, credit card, or banking account. This ensures worry-free and on-time payments. If opting-out of automatic payments, payment must be made by the Friday before each week of care. There is an additional \$5 fee per week per child when opting-out of automatic payments.

Automatic payments are drafted Friday mornings for the following week of care. Occasionally, a draft for past sessions may be processed again if a previous payment was not processed successfully. If a payment is returned for insufficient funds or a credit card is declined, the Y will charge a \$30 NSF fee. We may collect this fee plus the original amount of the charge electronically through a third party. Please let us know at least two business days in advance if a payment must be made in-person instead of a draft.

A child’s enrollment is considered continuous. When unenrolling a child from the program, a two weeks' written notice should be emailed to nbrown@marionfamilyymca.org. The Y will not give any refunds for time missed without a two-week written notice.

Financial Assistance:

As with all YMCA programs, financial assistance for SACC fees is available for families who demonstrate financial need and are members of the YMCA. The application process is simple and quick. An application can be downloaded from the YMCA’s website at www.marionymca.org or picked up from the YMCA Service Center. We have set our fees as low as possible to cover costs and be affordable to all. Therefore, we’re not able to offer a sibling discount.

Before applying for the in-house scholarship discount, families must attempt to apply for childcare assistance through their local Job & Family Services. Please see the Formal Assessments & Step Up to Quality section for more information and how to apply.

Registration Fee:

The Registration Fee for the school year is \$30 per child. This is a one-time per school year fee and is non-refundable.

Before School only:

Full-Time (5 days/week)
\$35 per week for Y Members
\$42 for Program Participants

Part-Time (up to 3 days/week)
\$21 per week for Y Members
\$25 for Program Participants

After School only:

Full-Time (5 days/week)
\$54 per week for Y Members
\$65 for Program Participants

Part-Time (up to 3 days/week)
\$41 per week for Y Members
\$46 for Program Participants

Both Before & After School:

Full-Time (5 days/week)
\$77 per week for Y Members
\$90 for Program Participants

Part-Time (up to 3 days/week)
\$57 per week for Y Members
\$65 for Program Participants

Refunds & Credits:

We understand everyone is concerned about becoming ill and paying in advance for services. We also are planning our programming around staffing and supply needs. We will balance these two needs with this refund policy: Fees are due by Friday for the coming week. If a child's fees aren't paid and we have a waiting list, we may remove the child for a child on the waiting list. Once fees are paid for the coming week, there will be no credit or refunds for absences or withdrawals for reasons other than illness. **If a child or anyone in the household is ill, let us know immediately.** There will be no credits or refunds for days missed for which we received less than 24-hour notice. If we receive more than 24-hour notice, we will issue a 50% credit for any days paid for during the same week and 100% credit for any following weeks, if they were paid ahead. Credits are good for any future Y program or membership. If a refund is preferred, let us know.

Communities Served

The Marion Family YMCA School-Age Child Care program primarily serves children in Kindergarten through fifth grade who attend Benjamin Harrison Elementary, George Washington Elementary, River Valley Elementary Schools, and Pleasant Elementary. These are the only pre-arranged transportation to and from the YMCA. Children in grades Kindergarten through fifth grade in other Marion County elementary schools are also eligible to attend. Families must arrange their transportation from the program to school and from school to the program. All transportation arrangements must be reported to the Y in advance of attendance.

Guidance & Behavior Management

When a child engages in inappropriate behavior that threatens the health or safety of themselves or others, the YMCA staff will do the following:

- A. Take immediate action to stop the behavior.
- B. Inform the child and/or families of the disciplinary action that will be taken. If the severity of the inappropriate behavior warrants, or the child cannot be controlled on the spot, it may be necessary to temporarily remove them from the situation. Additionally, staff will attempt to learn the causes of the behavior and will try to help the child understand and overcome these.
- C. Consider the possibility of suspending and/or expelling the child from the program. The decision to send a child home is a difficult one to make and will be carefully considered before action is taken.

In all other situations where the safety of other children or staff is not directly jeopardized, YMCA staff will discuss the behavioral problem with the child and determine if disciplinary action is necessary. This process assists the child in learning to take responsibility for their behavior. In cases of repeated inappropriate behavior, any one of the following disciplinary procedures may be used:

- Staff may discuss with the child the inappropriate behavior and its future consequences.
- Staff may inform the child of any disciplinary action to be taken if the behavior is repeated.
- Staff may redirect or provide time away from the activity, with the child returning to the activity contingent on a willingness to behave appropriately. Explain further disciplinary action to be taken if the behavior continues.
- Staff may redirect or provide time away from the activity, and notify families of the child's behavior. If the behavior continues, staff will hold a conference to discuss and provide support in managing the child's behavior at the program.

When a child's persistent or dangerous behavior takes too much time and attention away from the needs, safety, and well-being of other children, or causes disruption of the program objective, the possibility of suspending and/or expelling the child from the program must be considered. The decision to send a child home is a difficult one to make and will be carefully considered before action is taken.

Program Rules

1. Walking Feet
2. Inside Voices
3. Kind Words
4. Keep Hands to Yourself
5. Listening Ears
6. Ask Permission
7. Everyone Helps
8. Electronics are for SCHOOL
9. MASKS UP!

Supervision of School-Age Children

1. No child will be left alone or unsupervised. A minimum of 2 staff shall always be in the building when there are children present. Required staff-to-child ratios will be maintained at all times.
2. School-age children may run errands inside the building or use the restroom alone or in groups of no more than six children without adult supervision as long as all of the following conditions are met:
 - a) Children are within hearing distance of a teacher,
 - b) The teacher checks on the children regularly until they return, or
 - c) The restroom is for the exclusive use of the program.

Daily Attendance

Attendance will be taken daily for the safety and security of each child. **If a child is ill or will not be attending the program for any reason, the YMCA must be informed before the child's scheduled attendance.**

During the before-school program, the staff will observe children boarding the buses. The staff will record the time the students boarded. If a child attends another school and transportation has been planned with the school, the program staff will observe children boarding the bus.

During the after-school program, the staff will observe the children as they exit the buses and record their arrival at the program. We must know in advance if a child is not attending the program. If we expect a child and they do not arrive, we will call emergency contacts until we confirm the child's whereabouts.

If a child is ill for an extended time, the child care program must be notified of the days the child will not attend. There will be no refunds or credits for illness unless a physician's note is provided for serious illness resulting in multiple day absences

Drop-Off & Pick-Up Procedures

Child care opens at 6:30 am. No children will be admitted before this time. Child care closes at 6:00 pm. We understand people may be running a few minutes late at times, therefore we provide a five-minute grace period after the program ends. After this five-minute grace period, there will be charges incurred at a \$1 per minute late fee.

Locations:

- Before and After SACC: Game Room or what used to be the Kid's Gym

There is a doorbell outside the program doors to announce the child's arrival. Only enrolled children are permitted in the program space.

Drop Off:

- a) The program staff will check the child's temperature. If the temperature is under 100 degrees, the child can be signed in by the staff.
- b) If the child's temperature is over 100 degrees, the child will be allowed to return the following morning (24 hours later) as long as all screening questions can be answered as no.

Pick-Up:

Staff members may check the authorized pick-up person's identification until they become familiar with them.

Weather Cancellation Policy

If there is a Level 2 or 3 Snow Emergency active at 5:30 am any day the program is scheduled to be opened, then the program will be closed for the day. Program staff will notify families of the closure through regular communication channels.

If a Level 2 Snow Emergency is called by the Marion County Sheriff, while the SACC program is in session, we strongly encourage families to pick up their child from the program. Program staff may notify families to pick up their child within one hour.

If a Level 3 Snow Emergency is called by the Marion County Sheriff, the Marion Family YMCA will close the facility in 30 minutes. If a Level 3 Snow Emergency is called while the SACC program is in session, your child is welcome to stay until the level is downgraded.

General Illnesses

Please call the YMCA at 740-725-9622 or send a message on Remind to let us know if the child will not be attending SACC for any reason. We ask that sick children do not come to SACC, as they will be sent home.

If a child becomes ill while at SACC, they will be isolated and emergency contacts will be notified immediately. At the time emergency contacts are notified the child has become ill, the child must be picked up from SACC within 30 minutes. There must be an emergency contact who can be available at all times throughout the day in case of illness. We must have current phone numbers for all emergency contacts. Anytime a child is isolated they will be kept within sight and hearing of a staff member. The cot and any linens used will be washed and disinfected.

The program staff are trained in recognizing the signs and symptoms of illness, washing procedures, and disinfecting procedures. We observe all children as they enter the program to quickly assess their general health.

A child with any of the following symptoms will be immediately isolated and discharged to an emergency contact:

- A temperature of 100 degrees F or higher,
- Diarrhea,
- Continued coughing,
- Difficult or rapid breathing,
- Yellowish skin or eyes,
- Purulent (pus) eye discharge, or eye pain, or eyelid redness or fever,
- Untreated skin patches and unusual spots or rashes,
- Unusually dark urine or gray or white stools,
- Stiff neck with an elevated temperature,
- Evidence of nits, lice, scabies, or other parasitic infestations,
- Vomiting more than once or when accompanied by another sign of illness,
- Sore throat or difficulty swallowing,
- Any other symptoms of possible COVID-19.

The center will notify families through the Remind Group, as well as in writing, the day the center is notified when their child has been exposed to a communicable disease. Centers will follow the current version of the Ohio Department of Health Communicable Disease Chart for appropriate management of suspected illnesses. The chart will be posted in a location readily available to center staff and families.

Lice Policy

If a child is discovered to have nits or lice, they will be isolated while supervised by staff. Families will be contacted immediately and asked to pick up the child. All other children will be checked for nits or lice during the program time and may, if necessary, be checked through the following program times. All areas are cleaned and treated for lice before students are allowed to play with items affected. An exposure notification will be distributed to families. Any child who has been sent home due to nits or lice, may not return until they have been treated and are found by YMCA staff to be nit-free and lice-free.

Daily Admission & COVID-19 Health Screening

Families must self-monitor their children and other household members at home for illness each morning. **Do not bring a child to SACC if the child or anyone in the house exhibits illness symptoms.**

Families will answer the following questions regarding the child each day at drop off:

- Do you live with anyone or have you had close contact (prolonged or coughed on, for example) with anyone who has been diagnosed or diagnosed as likely with COVID-19 within the last 14 days?
- Do you have any of the following symptoms: fever, cough, shortness of breath or difficulty breathing, chills, muscle pain, sore throat, a new loss of taste or smell?
- Do you have any other signs of communicable illness such as a cold, flu, nausea, vomiting, or diarrhea?
- In the last 14 days, have you or anyone in the household traveled to a state on the Ohio Travel Advisory List?

If the answer is yes to any of these questions, the child will not be able to attend.

If the child has been ill, the procedure below will be followed for re-admittance:

- Children who have a fever or exhibit acute respiratory illness must be fever and symptom-free for at least 72 hours before returning to the program, and ten days must have passed since the onset of any symptoms.

Other Health Protocols:

Face Coverings:

- Masks are required at all times with the exceptions listed below. Masks must be cloth and completely cover your mouth and nose, and otherwise meet CDC guidelines. Anyone not following our mask requirement may be asked to leave.
 - Exceptions to the mask requirement are:
 1. Under the age of 5 and not yet in kindergarten
 2. When actively exercising in the Wellness Center (large room in the front of the building with exercise equipment)
 3. In the pools
 4. In your designated spot in a group exercise class
 5. When actively playing pickleball

Handwashing:

- Children and staff will wash their hands frequently throughout the day. When handwashing is not available, children and staff will use hand sanitizer until handwashing becomes available.

Social Distancing / Space:

- We know it is not always possible for children to be 6 feet from each other. However, we are designing activities that support social distancing and will do our best to discourage children from being close to one another.

Sanitizing of Surfaces & Equipment:

- To the best of our ability, all tables & other surfaces will be sanitized between uses.
- Bathrooms will be sanitized periodically throughout the day.
- All nonporous surfaces, equipment, and toys will be sanitized at the end of each day.

The YMCA has a detailed COVID-19 Exposure Plan. Action in the plan was developed with Marion Public Health. Action is dependent on the specific situation and may include closing SACC to allow for time and additional disinfecting.

Accidents & Emergencies

If a child has a serious accident, illness, or becomes injured while at the YMCA program, a staff member will administer first aid while another staff member contacts the child's emergency contacts and the local emergency squad. The emergency squad may choose to transport the child to an appropriate medical facility. **The YMCA does not accept enrollment from a child without the Permission to Transport section of the Child Enrollment and Health Form completed.** A staff member will accompany the child and bring the child's medical form to the hospital. The staff will remain with the child until a designated emergency contact assumes the responsibility of the child. Incident reports will be completed internally and serious incidences will be reported to ODJFS. If a child has an accident while at home, we may require written documentation from a physician releasing the child to attend SACC.

If it is necessary for us to evacuate the YMCA, we will take all children to the flagpole area in front of the YMCA's main entrance. If directed by emergency personnel to be further from the building, we will take all SACC children to the far side of the football fields on the southern edge of the YMCA's property. Staff will remain with the children until all children have been signed out by an authorized adult. A Program Administrator will use their cell phone to contact families via Remind and call the child's emergency phone numbers listed in their files when there is a loss of communications, including no phone or internet service.

Field Trips & Swimming

The SACC program will take no field trips away from the YMCA property. At this time, we are not planning any swimming activities.

Napping & Resting

We will not provide scheduled napping and/or resting time.

Formal Assessments

At this time, we don't conduct formal assessments on children.

Step Up to Quality

We have the prestigious honor of a 1 Star Step Up to Quality rating from the state of Ohio!

Star ratings are awarded only to learning and development programs that exceed licensing standards and are committed to:

- Continuous quality improvement;
- Continuing education of teachers;
- Utilizing learning and development standards to support children's learning; and
- Relationship-building with families and communities.

The Ohio Department of Job and Family Services (ODJFS) helps families who are working or in school pay for child care through the Publicly Funded Child Care (PFCC) program. Child Care Centers must have at least a 1 Star Rating to accept PFCC payments. With our 1 Star Rating, we are now able to accept PFCC payments, which may mean that out-of-pocket costs could be reduced for families. Families qualifying for PFCC may be required to pay for part of their child care in the form of a co-payment. The amount of the co-pay is based on the family's gross income and family size.

Please apply at <https://jfs.ohio.gov/cdc/Page4.stm> or call Missy Davidson with Marion County JFS at 740-223-1921. If a family does not qualify for PFCC and meets our financial assistance requirements, then we encourage them to apply for our in-house scholarship membership discount.

Community Resources

The Marion Family YMCA is a facility that believes in community engagement where families can come together for a purpose, to enhance our community. Here is a comprehensive list of community resources in Marion County:

- Marion Family YMCA offers swim lessons, preschool, youth sports including soccer, flag football, cheerleading, basketball, and martial arts. For more information, see our website at <https://www.marionymca.org/>
- Marion Public Health offers immunizations required by the Ohio Department of Education. Marion Public Health does accept walk-ins. Please call to verify hours of operation. For more information, see their website at <http://marionpublichealth.org/immunizations/>
- The Center Street Community Clinic provides medical, dental, and behavioral health services for all ages. As a Federally Qualified Health Center, they accept uninsured individuals as well as Medicaid, Medicare, and Private Insurance. For more information: <http://www.centerstreetclinic.org/index.html>
- St. Paul's Lutheran Church provides FREE Fresh Food to families earning at or below 200% poverty level. Each family will select from the 10,000 pounds of food delivered by the Mid-Ohio Food Bank. Food will be distributed the first Friday of every month from 11:00 am to 2:00 pm at 135 West Main St., in Waldo. Call 740-726-2770 with questions.
- Marion Matters presents: Getting Ahead in a Just Getting by World. A Program that offers useful tools, practical advice, and valuable communication to help families get ahead, instead of simply get by. Contact Program Coordinator, Christina Wyatt with questions: 740-223-2999 or cw.marionmatters@gmail.com
- LEAPIN' Outreach Center is a non-profit volunteer organization in Marion, Ohio that serves Marion County residents by providing FREE clothing and personal items. LEAPIN' Outreach Center is located at 150 Court St., in Marion (the old Marion Star building). Find them on Facebook or by calling 740-387-0131.
- Psalm 139 Ministries located at the Marion First Church of the Nazarene 233 West Church St., in Marion and offers High School Junior and Senior girls prom dresses FREE of charge. Those interested can contact Cathy Waddell at 740-360-6283.
- Marion Public Library located at 445 E Church St., in Marion offers many free programs for children in Marion Ohio. For more information, visit their website at <https://www.marionlibrary.org/>
- Housing and Weatherization Programs: Millions of dollars in federal government assistance are going to Marion and Crawford counties in Ohio. The funds will be used to provide rent assistance and weatherization programs. Ohio Heartland Community Action Commission will use over \$2,000,000 of the federal stimulus money to provide home weatherization assistance programs. This now means that up to \$6,500 can be spent on each home to improve its energy efficiency. For more information, visit this website https://www.needhelppayingbills.com/html/marion_county_assistance_progr1.html
- Marion Goodwill's Emergency Clothing Program aids individuals and families in need of emergency clothing at no charge. Emergency clothing also applies to individuals in need of professional attire for job interviews. After receiving a voucher each family is welcomed into Goodwill stores to shop for the items they need. This process allows each individual the freedom to choose the items they need from Goodwill's vast inventory, rather than a limited number of goods donated directly to an agency. For additional information on the Emergency Clothing Program contact us at 740-751-4282 or mission@mariongoodwill.org
- Ohio Heartland Community Action Commission has various programs which they help

Marion County residents gain access. These services include the Home Energy Assistance Program (HEAP), the Winter Crisis Program (also called Emergency HEAP), Summer Crisis Program, Percentage of Income Payment Plan Plus, Rapid Rehousing, Summer Reading Program, The United Community Rx Program, tax help, and personal needs pantry. See more information here
