FOR YOUTH DEVELOPMENT®
FOR HEALTHY LIVING
FOR SOCIAL RESPONSIBILITY

Dear New Y Member:

Thank you for joining the Marion Family YMCA! You've joined an association of people who support one another and our community in youth development, healthy living and social responsibility.

The staff and I are excited about serving you and all of our members. I hope you will enjoy this great organization and take advantage of all our programs and services that help nurture the potential of youth & teens; improve health & well-being and provide opportunities to give back and support your neighbors.

The mission of your YMCA is to put Christian principles into practice through programs that build a healthy spirit, mind and body for all. This means we try to incorporate the universal values of caring, honesty, respect and responsibility into all that we do from how we serve you at the Service Center to how we teach a swimming lesson. We also ask that our members and guests conduct themselves at the Y in a way that supports our mission.

We have put together a packet of important information for you to review with your family prior to visiting the Y.

As a new member, we enjoy hearing your fresh perspective on how we're doing and how we're meeting your needs. We have a staff member dedicated to helping new members get started with the Y. His name is Jason Gorby and he will be reaching out to you soon.

Please feel free to offer your suggestions and comments to your Y staff. Many times the best ideas come from you, those who are using the facilities and participating in the programs on a daily basis. In addition, we are always looking for great volunteers to help us fulfill our mission. If you are interested in sharing your time and talents, please let any member services staff member know of your interests.

Once again, thank you for joining the Marion Family YMCA.

Sincerely,

Theresa A. Lubke
Executive Director

Marion Family YMCA enriches kids, adults, families and communities through well-being and fitness, camps, family time, swim, sports, and play, and other activities for people of all ages, incomes and abilities. We are more than your local health and fitness club with a pool and a gym. At the Y, we help build a healthy spirit, mind and body for all with the core values of caring, honesty, respect and responsibility at the heart of everything we do.

OUR MISSION

The Marion Family YMCA puts Christian principles into practice through programs that build healthy spirit, mind and body for all.

OUR VALUES

The Marion YMCA shares beliefs of caring, honesty, respect and responsibility. Our staff shows these values in our Y programs and by providing healthy connections with our members.

OUR CAUSE

At the Marion Family YMCA **strengthening community** is our cause. Every day, we work side-by-side with our neighbors to make sure that everyone, regardless of age, income or background, has an opportunity to learn, grow and thrive.

FOR YOUTH DEVELOPMENT®
FOR HEALTHY LIVING
FOR SOCIAL RESPONSIBILITY

OUR HISTORY

Since its founding in 1892 the people of Marion have been developing the potential of youth, helping one another improve well-being, and giving back to their community through the Y. Although the specific programs and services have changed throughout the years, the work of the Y has always been to strengthen our community through youth development, healthy living and social responsibility.

In 1933 the Y helped a shy 12-year-old, so bashful that he couldn't answer questions in school, learn that he could speak out loud to others and he did so in style, winning a contest on telling the best Bible story. That 12 year boy, now a man well into his later years, still has the Bible he won that day as a prized possession.

In our first facility, located on South State Street, young boys developed self-confidence along with swimming skills in the Y's tiny pool where the ceiling was so low most adults had to bow their heads when standing on the deck. Progressively respectful and inclusive, the Marion Family YMCA allowed women to use this facility the first year it opened in 1895.

As the Y continued its work in youth development and healthy living the need for a new facility became apparent and we launched a capital campaign in 1950 with a goal to raise \$750,000. Due to Marion's socially responsible residents, money was raised and a new larger facility was opened on Church Street in 1953. Many of today's retired Marionites remember honing leadership skills at the Y through its many youth and teen clubs and activities.

Over the years, the Y's work in youth development and healthy living once again outgrew its facility. Helping people improve their well-being through popular exercise classes sometimes included holding cycling classes in the Y's lobby due to lack of space. This wasn't stopping people though from supporting one another and seeing amazing life changes as individuals came to the Y looking to get fit, and stayed because they not only did so but improved their overall well-being through their new social connections and friendships.

In 2004 the Marion Family YMCA moved to its current location on Barks Road. Through the tool of this 88,000 square foot facility we are helping more youth reach their potential, aiding more individuals and families in improving their well-being, and providing more opportunities for people to give back and support their Marion neighbors.

OUR FOCUS

Youth Development

We believe the values and skills learned early on are vital building blocks for life. Because of the Y, more young people in neighborhoods around the nation are taking a greater interest in learning and making smarter life choices. At the Y, children and teens learn values and positive behaviors. They can explore their unique talents and interests, helping them realize their potential. That makes for confident kids today and contributing and engaged adults tomorrow.

Healthy Living

Being healthy means more than simply being physically active. It's about maintaining a balanced spirit, mind and body. The Y is a place where you can work toward that balance by challenging yourself to learn a new skill or hobby, fostering connections with friends through our life-long learning programs, such as youth sports or swim lessons. It is about bringing your loved ones closer together through our many family-centered activities. At the Y, it's not about the activity you choose as much as it is about the benefits of living healthier on the inside as well as the outside.

Social Responsibility

The generosity of others is at the core of the Y's existence as a nonprofit organization. It is only through the support of our hundreds of thousands of volunteers and public and private donors that we are able to support and give back to the communities we engage.

Y-one-on-one is for new and returning members to meet with a Wellness Coach to learn about what we offer and how we can help you reach your goals.

We understand that sometimes beginning your membership can be a little overwhelming. With dozens of programs, opportunities, and equipment to learn, you may find yourself not knowing where to start. The Y one-on-one appointment is designed to help you with this. Our Wellness coach will spend some time with you to understand your particular needs and goals. He or she will discuss and show you programs, equipment, and classes that will best fit your needs. You should expect to leave with an understanding of what fits you best here at our Y and where to start.

WHAT IT IS NOT

Your appointment is not a high pressure sales pitch for personal training or a medical type of appointment where you'll be poked and prodded. You don't have to worry about being uncomfortable or embarrassed; you won't be asked to do anything you don't want to do.

HOW WHO SHOULD ATTEND

Anyone 14 years or older. Whether you're new to exercise or in tip-top shape, our Y-one-on-one experience is an opportunity for us to get to know one another. Whether you want to lift weight, take classes, swim, play sports or have some other interests in mind, we want to make sure we do our part in helping you get started on the right foot.

WHY IT'S IMPORTANT

Members who attend their Y-one-on-one appointment within the first two weeks of joining are 6x more likely to achieve their goals. Let's make sure you're one of them!

If you are interested in this service, inform Member Service Center or email Heather Wright at hwright@marionfamilyymca.org and you will be contacted to schedule your appointment.
