FOR YOUTH DEVELOPMENT®
FOR HEALTHY LIVING
FOR SOCIAL RESPONSIBILITY

Dear New Y Member:

Thank you for joining the Marion Family YMCA! You've joined an association of people who support one another and our community in youth development, healthy living and social responsibility.

The staff and I are excited about serving you and all of our members. I hope you will enjoy this great organization and take advantage of all our programs and services that help nurture the potential of youth & teens; improve health & well-being and provide opportunities to give back and support your neighbors.

The mission of your YMCA is to put Christian principles into practice through programs that build a healthy spirit, mind and body for all. This means we try to incorporate the universal values of caring, honesty, respect and responsibility into all that we do from how we serve you at the Service Center to how we teach a swimming lesson. We also ask that our members and guests conduct themselves at the Y in a way that supports our mission.

We have put together a packet of important information for you to review with your family prior to visiting the Y.

Please feel free to offer your suggestions and comments to your Y staff. Many times the best ideas come from you, those who are using the facilities and participating in the programs on a daily basis. In addition, we are always looking for great volunteers to help us fulfill our mission. If you are interested in sharing your time and talents, please let any member services staff member know of your interests.

Once again, thank you for joining the Marion Family YMCA.

Sincerely,
Carrie Guyton
Director of Relationships

Marion Family YMCA enriches kids, adults, families and communities through well-being and fitness, camps, family time, swim, sports, and play, and other activities for people of all ages, incomes and abilities. We are more than your local health and fitness club with a pool and a gym. At the Y, we help build a healthy spirit, mind and body for all with the core values of caring, honesty, respect and responsibility at the heart of everything we do.

OUR MISSION

The Marion Family YMCA puts Christian principles into practice through programs that build healthy spirit, mind and body for all.

OUR VALUES

The Marion YMCA shares beliefs of caring, honesty, respect and responsibility. Our staff shows these values in our Y programs and by providing healthy connections with our members.

OUR CAUSE

At the Marion Family YMCA **strengthening community** is our cause. Every day, we work side-by-side with our neighbors to make sure that everyone, regardless of age, income or background, has an opportunity to learn, grow and thrive.

FOR YOUTH DEVELOPMENT®
FOR HEALTHY LIVING
FOR SOCIAL RESPONSIBILITY

OUR HISTORY

Since its founding in 1892 the people of Marion have been developing the potential of youth, helping one another improve well-being, and giving back to their community through the Y. Although the specific programs and services have changed throughout the years, the work of the Y has always been to strengthen our community through youth development, healthy living and social responsibility.

In 1933 the Y helped a shy 12-year-old, so bashful that he couldn't answer questions in school, learn that he could speak out loud to others and he did so in style, winning a contest on telling the best Bible story. That 12 year boy, now a man well into his later years, still has the Bible he won that day as a prized possession.

In our first facility, located on South State Street, young boys developed self-confidence along with swimming skills in the Y's tiny pool where the ceiling was so low most adults had to bow their heads when standing on the deck. Progressively respectful and inclusive, the Marion Family YMCA allowed women to use this facility the first year it opened in 1895.

As the Y continued its work in youth development and healthy living the need for a new facility became apparent and we launched a capital campaign in 1950 with a goal to raise \$750,000. Due to Marion's socially responsible residents, money was raised and a new larger facility was opened on Church Street in 1953. Many of today's retired Marionites remember honing leadership skills at the Y through its many youth and teen clubs and activities.

Over the years, the Y's work in youth development and healthy living once again outgrew its facility. Helping people improve their well-being through popular exercise classes sometimes included holding cycling classes in the Y's lobby due to lack of space. This wasn't stopping people though from supporting one another and seeing amazing life changes as individuals came to the Y looking to get fit, and stayed because they not only did so but improved their overall well-being through their new social connections and friendships.

In 2004 the Marion Family YMCA moved to its current location on Barks Road. Through the tool of this 88,000 square foot facility we are helping more youth reach their potential, aiding more individuals and families in improving their well-being, and providing more opportunities for people to give back and support their Marion neighbors.

OUR FOCUS

Youth Development

We believe the values and skills learned early on are vital building blocks for life. Because of the Y, more young people in neighborhoods around the nation are taking a greater interest in learning and making smarter life choices. At the Y, children and teens learn values and positive behaviors. They can explore their unique talents and interests, helping them realize their potential. That makes for confident kids today and contributing and engaged adults tomorrow.

Healthy Living

Being healthy means more than simply being physically active. It's about maintaining a balanced spirit, mind and body. The Y is a place where you can work toward that balance by challenging yourself to learn a new skill or hobby, fostering connections with friends through our lifelong learning programs, such as youth sports or swim lessons. It is about bringing your loved ones closer together through our many family-centered activities. At the Y, it's not about the activity you choose as much as it is about the benefits of living healthier on the inside as well as the outside.

Social Responsibility

The generosity of others is at the core of the Y's existence as a nonprofit organization. It is only through the support of our hundreds of thousands of volunteers and public and private donors that we are able to support and give back to the communities we engage.

SILVER SNEAKER WATER FITNESS CLASS POLICY

Each Silver Sneaker member will be allowed three absences from Silver Splash class. After four absences, however, the Silver Sneaker member will be charged the \$16 per session fee for the class. Water classes are based on registrations per session. Silver Sneakers members do not have a charge for the Silver Splash classes. We wish to keep it that way. The goal is to keep these classes available for Silver Sneakers that are interested in the class and will be attending the majority of the time. We want to discourage individuals from registering for the class because it is free, not attending, and unfortunately taking a coveted spot from someone who wishes to attend regularly. We understand that everyone must miss from time to time but we want to be fair to all members. If you feel you cannot attend regularly you may withdraw from the class to avoid being charged and prior to your 4th absence.

Financial Assistance

The Ohio Department of Job and Family Services (ODJFS) helps families who are working or in school pay for childcare through the Publicly Funded Child Care (PFCC) program. Child Care Centers must have at least a 1 Star Rating in order to accept PFCC payments. With our 1 Star Rating, we are able to accept PFCC payments, which may mean that your out of pocket costs could be reduced. Families qualifying for PFCC may be required to pay for part of your child care in the form of a co-payment. The amount you pay is based on your gross income and family size. You may apply at <https://www.ohio.gov/cdc/Page4.stm> or call Missy Davidson with Marion County JFS at 740-223-1921. If don't qualify for PFCC, but meet our financial assistance requirements, then you can apply for our in-house financial assistance. The application process is simple and quick. You can download an application from the Y's website at www.marionymca.org or pick one up from the Y Service Center.
