FITNESS RATINGS:

A- ABSOLUTE BEGINNER (has never exercised or has not exercised recently, wants to start exercising again, low impact, new member)

B – BEGINNER TO INTERMEDIATE (has exercised some or exercises on a consistent basis, low to moderate impact)

C – CHALLENGING (exercises more than 3 days a week, moderate to high impact)

D – DIFFICULT (exercises almost every day, high impact)

DESCRIPTION OF CLASS:

A.M. HIIT – This class provides a total body workout with bursts of strength and cardio exercises to build muscle and endurance. All exercises can be modified to fit your level of fitness from beginner to advanced. This class uses free weights and body weight for most exercises. **B/C**

Anything Goes – This class combines strength training & cardio. Each class will be different & use a variety of equipment. For example, it may be HIIT, TRX, Tabata, a circuit, weights & the track. **B/C**

Barre Blend – This class fuses exercises from ballet, cardio training, Pilates and yoga into one class to challenge and tone the entire body. **B**

Beat Boxing Fitness – Beat Boxing Fitness is a non-stop fat burning cardio class that combines punching, kicking, boxing style moves and dance moves, along with choreographed weight routines from all the hottest hits on the radio. Step beatboxing and resistance band workouts. No gloves needed. **B**

Beginning Yoga – Learn the basics of yoga using postures and stretches in combination of the breath to develop flexibility and relaxation. **A**

Boot Camp – Difficult exercise class for those who aren't afraid to sweat. Cardio and some strength training. **D**

Cardio & Lift – This class incorporates cardio and strength training segments, increasing the overall intensity of the class. Focuses on all major muscle groups to improve muscular tone, endurance, strength and cardiovascular fitness. **C/D**

Cardio Drumming – Get a full body workout and release stress in this cardio drumming class that is choreographed and set to music. This class combines drumsticks and an exercise ball to create a fun and upbeat workout that is appropriate for beginners, intermediate, and advanced fitness enthusiasts. **B/C**

Cardio Kickboxing – This class provides a total body workout that targets cardiovascular and core strength. Bag and floor work included. **Please bring your own gloves.** **B**

Cycle & Run – Burn some calories in this heart-pumping class that is on indoor cycle bikes. Then running, stairs, jump rope, off-bike cardio and toning and more. **C/D**

Cycle & Core – **odd months of the year – check schedule** - 30-minute cycle experience to improve your cardio experience followed by 30 minutes of shoulder to hip core work to enhance your movement health. **B/C**

Cycle to Strength - No complicated choreography with easy-to-learn techniques. Have fun and burn some calories in this heart-pumping class that is on indoor cycle bikes. The class can include some off-bike cardio and toning. **B/C**

DAARTTS (Donny's Agility and Resistance Training Team Sports) Functional movements performed at a high intensity that will include aspects of weightlifting, body weight movements, and running/walking. The workouts will be scaled for the athlete's ability or level of fitness. **B/C**

Drums Alive – Choreographed workout using the ball and drumsticks set to music. **A/B**

Extreme Bootcamp – Extreme conditioning for those with an elite athletic heart. Cardio and strength training. **D**

Groovefit – "As inspired by Grooves!" Get your heart pumping in this full out dance class. Latin hip hop and pop music inspire you to shake it and burn calories. Some floor workouts along with some chair workouts with resistance bands. **B/C**

Kettlebell Dance Mix – Torch fat, sculpt lean muscle and crush calories with this high intensity workout that mixes dance-based cardio with strength training. **B/C**

Kick 'n Core – Even months of the year – check schedule - 30 minutes of kickboxing followed by 30 minutes of core work. Bring your own gloves. **B/C**

La Blast Dance Class - dance fitness program based on all the ballroom dances you see on “Dancing with the Stars”. It is partner – free, includes all components of fitness and uses a wide variety of music. **B/C**

Mixed Level Yoga – This class deeply explores the foundation yoga poses in a variety of yoga styles. This class is designed for those renewing yoga practice or who want to build upon their yoga. **B/C**

Mommy & Me Yoga – 2nd Sunday of the month. Check schedule for date

Mommy & Me Yoga is a fun and friendly way for moms and their little ones to connect through play, movement, and mindfulness. It’s a relaxing space to try safe and enjoyable yoga exercises together, helping you both bond and get to know each other even better. This class is 1 time a month. Infants to 5 years old. There is a cost to this class payable 1 week in advance.

MOSSA Group Core - 30 minutes of shoulder to hip core work to enhance your movement health. **C**

MOSSA Group Ride – This class is a thrilling cardio workout inspired by outdoor cycling. It’s a great way to improve cardio fitness, burn calories, shape and strengthen your lower body and have fun while doing it. **C**

MOSSA Strength Train Together – This class maximizes your workout results with choreographed routines for all and all body workouts. This class uses barbells, dumbbells, and bodyweight. **B/C**

Preschool Yoga - 2nd Sunday of the month. Check schedule for date Preschool Yoga teaches mindfulness, simple poses, and breathing exercises through stories, games and music. It helps boost their big motor skills, balance, and concentration, while also supporting them in managing their emotions and building confidence – all in a friendly, engaging, and fun setting where they can feel happy and safe. Ages 3-5. There is a cost to this class payable 1 week in advance.

Pound – Using Ripstix®, lightly weighted drumsticks engineered specifically for exercising, POUND transforms drumming into an incredibly effective way of working out. Designed for all fitness levels, POUND® provides the perfect atmosphere for letting loose, getting energized, toning up and rockin' out! Come be a Rockstar with us! **B**

Power Conditioning Kickboxing – A fight-based program with the goals of improving athletic performance, cardiovascular endurance, speed, strength, agility, techniques and confidence. In this process you can lean lifelong fitness and movement skills. **C/D**

Pump – This is a total body, heart pumping, strength, cardio workout. Full body strength training workouts with bursts of cardio that will tone your body and build your endurance. **C**

Senior Stretch – This beneficial and gentle stretch class is designed to enhance mobility and flexibility, balance and confidence. This class utilizes modified yoga poses, seated or standing, using a chair for support to strengthen the body. **A**

Silver Sneakers Circuit – Silver Sneakers Circuit focuses on the benefits of a circuit-interval format to improve cardiovascular endurance, muscular strength and endurance. While designed for those who have demonstrated a consistent level of skill for agility, balance and coordination. **B**

Silver Sneakers Classic – Hand weights, elastic tubing with handles and a ball are offered for resistance and a chair for seated and standing support. **A/B**

Tai Chi for Arthritis - Learn the slow, graceful exercise, which originated centuries ago as a martial art, which can improve balance, and reduce stress. **A/B**

Total Body Toning – This class focuses on total body wellness, strengthening both cardiovascular and muscular systems with various types of exercise and equipment. **B/C**
